

# CCTE's *Champions for Change* - ***Paid Time Off Initiative***

## Addressing Job-Related Barriers in Clinical Trial Participation

This initiative partners with employers to provide paid time off for employees participating in clinical trials.

**Commit to provide at least one day of paid time off for your employees and you can become a *Champion for Change!***

- Free to join
- Open to any non-profit or corporation willing to provide paid time off for their employees.
- Receive a *Champions for Change* badge for your website, highlighting commitment to clinical trial equity.
- Have your logo featured on initiative website and public marketing materials.

### Employer Benefits

- Supporting clinical trial participation positions your company as a leader in corporate social responsibility.
- Access to improved treatments can improve the overall health of your workforce.
- Shows an investment in your employees' health and well-being which can strengthen employee/employer relationships, enhance engagement and improve retention.
- Enhances your company's brand as an ethical company invested in research, equity and health.

*Sponsored by Boehringer-Ingelheim and Mallinckrodt Pharmaceuticals.*

## Thank you for championing change in the workplace!
